

Minutes of the meeting of the Stebbing neighbourhood plan steering group

2nd October, 2018. Friends Meeting House, Stebbing

1. Members Present

John Evans

Christina Cant

Val Stokes

The Secretary

2. Apologies for absence

Jackie Kingdom, Judith Farr, Andrew Martin & Bernard Bazley

As there were only 3 members of the Steering Group present, it was not quorate so no decisions could be made and the meeting did not take place.

3. Public Questions

There was 1 member of the public in attendance and he asked about the plans for the church car park where it states 'Land required for development', was this for housing development and was it in the neighbourhood plan. John said that the NPSG has not been consulted about, but that he thought this was a generic term for the site for the proposed car park and didn't necessarily mean the building of houses. John also confirmed that the site did not form part of the potential housing allocation sites that the Steering group had been considering. The Clerk also confirmed that the Parish Council was not aware of anything other than the application for the car park on this site.

Christina updated the members present on the UDC regulation 19 submission, there is going to be a proposal at the next full UDC meeting to remove the West of Braintree part of the Local Plan as they had been advised by Counsel that the plan could be found unsound by the inspector while Braintree were still attempting to sort out the issues raised by the inspector regarding West of Braintree. If Braintree sort out their West of Braintree submission, then UDC will put their part back in at a later stage.

The meeting closed at 8.05pm
